1 In regard to the grant of a loan of Rs 10000/ required by the Municipality for the purchase of about 40 acres of land, it may be stated that a proposal was made to Government in this office letter No A3-P R 252 C 1717/47-48 dated 18-11-1947 for the grant of a loan of Rs 10000/ to enable the Municipality to acquire 31 acres and 24 guntas of land for the purpose of laying out an extension Certain particulars were called for in your letter No L 14275 dated 3-3-48 in this behalf I have reminded the Sub Division Officer- Tarikere to expedite the report called for The opinion of the Town Planning Committee is also required by Government in regard to the formation of the extension This will be examined and a detailed report will be forwarded to Government for orders

2 Regarding the water supply scheme said to have been estimated at about Rs 40000/- it is reported by the Sub Division Officer, Tarikere that the Sanitary Engineer has forwarded an estimate for Rs 6000/ for the sinking of two bore wells and that the same is pending the approval of the Municipal Council No information is available with regard to the scheme costing Rs 40000/ I have requested the Sanitary Engineer to furnish details in this behalf

3 Regarding the drainage scheme for Ajjampur, it may be mentioned that 2 estimates with the necessary plans and reports were received with letter No 240-15 dated 26-8-1944 from the Director of Public

from the Director of Public Health in Mysore., Bangalore, one for Rs 18975/ being the part comprehensive scheme and another for Rs 2383/ towards the urgent requirements of the town The whole project was intended to be taken up But the Ajjampur Municipal Council resolved to take up the urgent work for Rs 2383/- The only quotation for Rs 3670/-of Sri HV Ramaswamy in respect of this work was approved by Government in their order No P W 6649-51/Sony 8-46-2 dated 31-3-1947 It is stated by the Executive Engineer, Chickmagalur that about 585' length of drain has been executed and that the balance of work is stopped for want of cement I have again requested the Executive Engineer kindly to intimate if the work has since been resumed and completed With regard to the other estimate for Rs 18975/- being the part drainage scheme, I have requested the President, Ajjampur Minor Municipal Council, to expedite the proposals of the Council, as called for by Government (Vide your letter No L 3608 dated 10-11-45) On the receipt of the proposals in the matter of financing the drainage scheme, I shall forward the same separately for orders of Government through the Director of Public Health - Bangalore.

4 With regard to the question of the conversion of the Municipality to a Major one, it is reported by the Sub Division Officer,Tarikere that the normal income of the Municipality for the past four years has exceeded Rs 10000/- The population of the town has also exceeded 5000 in recent years Thus the provisions of Sub Section (1) of Section 5 of the Town Municipalities Act, 1933, regarding the population and the normal income of the Municipality for the purpose of declaring it to be a town Municipality have been met It is therefore requested that sanction of the Government to the proposal may kindly be obtained under Section 5 (1) of the Town Municipalities Act, 1933 The copy of the resolution dated 14-2-1948 of the Ajjampur Minor Municipal Council, agreeing unanimously to the proposal is enclosed herewith for kind perusal of Government Ajjampur is an important town situated on the Bangalore-Poona Road This is a centre of business having Railway facilities and is sure to acquire still greater importance in coming years under post-war development plans

With reference to your Memo No S3 PR 398/47-8 dated 19-4-4 on the above subject, I have the honour to enclose herewith the entire file of records received both from the President in his No C R 22/47-48 dated 4th Aug 48 and from your office with No noted above, and to state as follows

Regarding water-supply to the place, it is seen that the Sanitary Engineer has prepared an estimate for Rs 6000/- for sinking two Bore-wells for the present and it is pending in the Municipality for countersignature, as per Sanitary Engineer's letter No. 582 dated 23-12-47

2 Regarding Drainage to the place, a comprehensive Drainage Scheme was called for in your kind Memo No S3 1933/43-4 dated 27-4-48 and this is also pending with the President since 30-4-48

3 Regarding the conversion of the Municipality into a Major one, it is seen from the statement herein enclosed for kind perusal that the normal income is more than Rs 10,000/- during the years 1944-45, 1945-46 and 1947-48, and a little less in the year 1946-47 It is also reported that the population has increased to 5,000 during the recent years

Under the above circumstances there is every probability of this place growing day by day, as it is situated very near to the main State Railway and in the heart of cocoanut and other commercial crops growing area, and the representation regarding the

conversion of the Minor Municipality into a Town Municipality deserves consideration and I request that recommendation may be made for the same
